## Aberdeen Graminer. is Published Weekly and Tri-Weekly, by JONAS & DALTON.

THE WEEKLY EXAMINER Is issued every Thursday at following rates; One Copy One Year, in advance 2.00, One Copy Six Months, in advance 1.00

It is understood between the Publishers and the subscriber who obtains his paper "on time," that it is perfectly hir and just, and no cause for foss of temper or "promiscus cussing if the bill is placed in the hands of a Magis trate for collection, if not settled within thirt days after maturity.

THE TRI-WEEKLY EXAMINER Is issued on Mondays, Whonesdays and Fridays; Monday's paper is delivered by the Carrier on Sunday morning.
TERMS OF TRI-WEEKLY:
For One Year,
For Six Months,

We have seldom stopped the paper of a sub-scriber in the County at the expiration of the time paid for, without giving offense, hence we shall continue the Weskin Examiner a all cases to parties known to be "good for the monay," unless instructed to discontinue it.

## TUTT'S

Is composed of Herbal and Mucliaginous products, which permeate the substance of the Lungs, expectorates the acrid matter that collects in the Bronchal Tules, and forms a coothing coating, which relieves the irritation that causes the cough. It cleanses the lungs of all impurities, are nightens them when enfectied by disease, invigorates the circulation of the blood, and braces the nervous system. Slight colds often end in consumption. It is dangerous to neglect them. Apply the remedy promptly. A test of twoiry years warrants the according to the theory of the consumption in the same of the matter than the remedy has ever been found that is as prompt in interfectans IUIT'S EMPERGRAM. A single dose raises the phiegm, another inflammation, and its use specially cares the most obtimate ough. A pleasant cordial, children take it readily. For Croup it is invaluable and should be in sery family.

In 25c. and 51 Bottles.

ACT DIRECTLY ON THE LIVER.
Cures Chills and Fever, Dyspepsia,
Sick Headache, Billous Colle, Constipation, Bhoumatism, Piles, Palpifation of
the Heart, Dizziness, Torpid Liver, and
Female Erregularities. If you do not "feel
very well," a single pill stimulates the atomach,
restores the appetite, imparts vigor to the system.

NOTED DIVINE SAYS: to me; I used them (our with inthe rails). I am now a well man, have good appetite, digestion perfect, regular stools, plies gone, and I have gained forty pounds solid flesh. VOL. 17

ABERDEEN MISSISSIPPI, THURSDAY, JANUARY 18, 1883.

EDITORIAL MATTER. From Tri-Weekly issues of Friday & Monday The Matter of the Presidential Succession.

The Senate seems deeply in earnes in its desire to pass a bill at this session providing for the Presidential succession, though much objecthe Vice President, according to rank, beginning with Secretary of State, and ending with the Secretary of the

It will be remembered by our read ers that the Constitution only provides for the succession of the Vice Presi lent, leaving Congress to arrange for further contingenciesthis Congress did, early in the life of the Republic by making the line of descent in the event of the death of both the elected officers, first in the ence of free institutions is now endangered by the huge proportions to which the Senate, and been issued, and will not be and old mother England drives right and expense. The grass is a universal and old mother England drives right the South, grows wild, and makes expense of the Senate, and what is needed and what along in her accustomed way fixing up things to suit herself and the insense of packing and storing. Nearly all of the service of the Government, and this alone should defeat it, for the very existant and old mother England drives right the South, grows wild, and makes excellent hay. What is needed and what alone should defeat it, for the very existant along in her accustomed way fixing up things to suit herself and the incumbent to act as President until a of a political branch of Government President should be elected. .

Our experience of 1881-possibly in which there would be neither President pro tem nor Speaker, bence or supplement the old law at the rolls, but its peouliar demands are methy the Speaker of the House are both its as Mouroe county is concerned this half, though much difference of opin-Mr. Hoar in his leading speech

last week took the position among the status quo. others, that the President pro tem of the Senate in assuming the office of the Senate in the Sena the Senate in assuming the office of "acting" President, retained his seat as presiding officer in the Chamber; as presiding officer in the Chamber; and claimed that this double duty was more than any man was equal was more than any man was equal to Autonometric and the control of the United States is chosen by the objects; let us center commercially at some point. This plan of leaving the objects and located directly from that slight examination will show the fallacy of this idea: The President ture commercial greatness of our State to build up some great city in our own borders; let us center commercially at some point. This plan of leaving the and claimed that this double duty was more than any man was equal to; while Senator Morrill interposed the suggestion that as a Senator he would be welled more to your to you for the suggestion that as a Senator he would be welled more to you and boile, the Delta on New Orleans, and North Mississippi upon Memphiswould be called upon to vote on the parcels out our State until we have no ity inherent in the State's sovereign. thirty tons, and the mowing on the question of confirming his own nominations, in Executive session.
